

Battlegroup 301 Incorporated - Renaissance & Transformation

Education, Trade and Technology Vision

University, College, Trade and Technology Institute

General Idea, Development and Integrated Logistics

Under development...

Something we need:

- new and expanded local and regional opportunities;
- create and expand rural, town, village, small city options;
- reduce residents (adults and youth) exodus to larger cities;
- general and specialized education, trade, technical and training;

People and time:

- optimized job, career and enterprise opportunities;
- strategic, operational and tactical personnel development;
- multiple time lines, focused leading edge curriculum;
- initial intro, short, intermediate and long term education and training;

General Industry Options:

- technology, products, services, industry capabilities;
- aviation, aeronautics, aerospace, pilot training, transport;
- marine, nautical, navigation, recreational and commercial shipping;
- automotive, vehicles, new design research and development;
- infrastructure, production and machinery design engineering;
- financial and material resources - infrastructure and logistics;
- intermodal logistics, trucking, shipping, air and rail, machinery;

Specialized Industry Options:

- geology, prospecting, mining, metallurgy,
- manufacturing and material science, processing, production;
- construction, design, architecture, development, project management;
- construction related trades, services, products - intro and advanced;
- machinery, tools, production infrastructure;
- engineering, drafting, CADD, graphic art, technical illustration writing;
- woodworking, furniture, cabinetry, carpentry, finishing;
- foundry, metal, materials, mechanics, tool and die, machine shop;
- alternative science, invention and innovation, experimental R & D;
- Resources, infrastructure and relevant options;
- action and adventure sports: training and gear infrastructure;

Integrating Life Essential Industries:

- natural resources, forestry and marine environment;
- farming, biodynamic, organic, soil remineralization, soil revitalization;
- more civilized livestock enterprise development;
- marine life, fishing, forest, land and eco-system management;
- bio-diversity, life respecting, protection and enhancing;
- family farming, advanced business, pro-active and counter measures;
- buying group, local and regional farmer market development;
- food independence and opportunities;

Battlegroup 301 Incorporated - Renaissance & Transformation

Health Care - personal, family and public/community:

- holistic alternative health, advanced health care;
- caring people, practical, effective and measurable results;
- independence, health and freedom, nutrition, dynamic remedies;
- alternatives to cut, burn, poison, addiction and expensive treatments;
- energy and revitalized life vs pain and sickness management;
- counter-measure options against destructive technology and actions;

Personal development and more:

- art, music, crafts and creative imagination;
- education, entertainment and media;
- individual and enterprise networking and development;
- more adult courses, develop more community learning options;

Arsenal of Democracy:

- investigative and citizens journalism, freedom of speech;
- community citizens - own, control, vote and edit local news media;
- creative writing, text book development, publication and integrated use;
