7.47 Accusing and making comparisons of the modern real Canadian founding people policy, including this document, is hate speech and against hate law, white people being white supremacists, what nationalists, Aryan supremacists to that of being Nazis, while ignoring the historical facts of the invention of various forms of communism, the infiltration and subversion of specific countries and nations, the globalism, liberalism, internationalism and acts of crime, treason, genocide, war, immorality, debt, slavery, sickness and disease and the corresponding end of the sovereign nation state, regicide, democide and genocide of governments, democratic institutions, sovereign currency, and the corruption of physical money with non Canadian, not indigenous real Canadian currency cultural war, such as foreign language, symbols, people, events or otherwise, as weaponized, and super imposed counterfeit government, culture, immorality and other factors, is also a hate crime, genocide, treason and act of war;

7.48 Demanding Canadians, the real founding people, collectively responsible for actions of the government of Canada and the provinces, notwithstanding the degree and magnitude of not real Canadian founding people in government, making decisions in either an elected or un-elected

position, royal fraud, counterfeit monarchy, illegal and deceptive forms of government and various types of Laws, deep state, rogue agents, special groups, entities, associations, individuals, those with fraudulent oaths and allegiance to a foreign criminal agency including those engaged and/or involved in crime, treason, genocide, war, immorality, debt, slavery, destruction of constitutions, counterfeit, illegal and unethical actions, agreements, laws, regulations or otherwise, and ideology that has corrupted the original premise of Peace, Order and Good Government, of and by the founding people, for the founding people, is also a hate crime, genocide, treason and act of war;

The Kalergi Plan, is genocide and war, a national security threat, along with cultural marxism, replacement migration, immigration and invasion, in addition to having a Minister of Defence or Minister of Immigration and Citizenship that is not a real Canadian and is considered a "national security threat", "foreign control" and cultural marxist crime, treason, genocide and war against the founding people and an act of hate towards real Canadians, and considered also vexing, as an "enemy combatant" and "enemy foreign and domestic" notwithstanding the so called "diversity is strength" which is a code word for white genocide, to super impose globalist agendas and to end nation state Sovereignty, which is a total national security threat;

7.50 Any and all comments or actions by "enemy combatants" and "enemies foreign and domestic", against this document, is also a hate crime, genocide, treason and act of war, which also includes government, military and law enforcement who may also have been radicalized by extremism, corrupt uncivilized and demonic forces. Constructive suggestion, advisory, comments and feedback for refinement, revision for clarity, readability, language, pro-active and counter measures to those things not included are welcome.

7.51 Of course you may never hear about alternative perspectives and definitions, about hate, treason, genocide and war especially from the real Canadian, "white nationalist" point of view, on the mass media mainstream news or read about it in print if the entity is owned, controlled, voted, edited and also engaged in censoring, by liberalism-fascists, anti-Canadians, anti-nation state sovereignty type of people, who are considered as a national security threat. The anti nation state crowd are a significant majority controlling mass media in Canada as researched by CanuckLaw.ca and others.

The anti nation state "enemies foreign and domestic" has an operating system, organization, industries, entities and enterprise based in liberalism, crime, treason, genocide, war, immorality, debt, slavery, sickness, disease and death. The operating system includes counterfeit government, super imposed culture, which is actually uncivilized and is devolution and "not truly Progressive". They do not want anyone to be able to defend their country, industries, enterprise or people from the war they are engaged in. The people who do not believe in the right to have and bare arms, or the right to self defence, are the same people who do not like and actually hate nationalists, especially "white nationalists" who know and understand that the enemy is the globalism liberalism anti nation state sovereignty crowd that is implicated in the aggressive acts super imposed illegal multi-cult multiculturalism against real Canadians who are nationalists. The aggressive acts of treason, genocide and war against industry and enterprise, are part of the agenda to destroy the power base, and the war against the family, and healthy national identity of white people, in particular straight white people, the founding people, including the pre-existing "Canadien" et "Acadien";

2.0 Vaccine Fascists:

2.1 In consideration of the hate, crime, treason, genocide and war, against "White People" aka whitey;

2.2 those individuals, groups, entities, organizations including government who are pro-vaccine, and also related bio-weapons that may or may not be technically vaccines, who are against "anti-vaxxers" are also engaged, involved and implicated in hate, crime, treason, genocide and war against "anti-vaxxers" ;

2.3 and by thoughts, words and actions against "anti vaxxers" are in fact "anti-anti-vaxxers" which are considered "an extremist group that are in fact a national security threat" because "once someone has been exposed and active in expressing or experiencing hate against those who are resistant to any "vaccine, enforced vaccination, vaccine bio-weapons, fake vaccine bio-weapons, any type of crime, treason, genocide, war that is against them as a group or individuals, "it's easy to lead them down a path where they embrace more radical world views that can lead to violent extremism" ." see notes;

2.4 "anti-anti-vaxxers", like others engaged in crime, treason, genocide, war and immorality are predictable in consideration of the laws of escalation, and the corruption or destruction of conscience, the corrosion of true values and life respecting ethics, the continued destruction of the faculties of civilized ethics and behaviour, the freedom of choice in the corrupted individual will continue to get worse and worse, notwithstanding the degree that may have originally existed, "anti-anti-vaxxers" actions solidify uncivilized behaviour;

2.5 Uncivilized behaviour, which is bad, wicked, unwise, evil, in an individual also includes freedom of choice, and that degree of the freedom of choice that may appear to exist, has been compromised and affected by the conscience, which may easily be under the influence of evil, demonic entities, or people, or even super imposed chemical and electronic manipulation, over control, mind control or otherwise, whose characteristics are not human, not godly, not righteous, but in fact anti-life, anti freedom of choice, anti true values, and are demonic and may be represented and described as goblins, who are of grotesque diabolical character, notwithstanding the nature of their "looks" or any other feature that may deceive people concerning their true nature;

2.6 Uncivilized behaviour, the acts of aggression, as a result, the hate, crime, treason, genocide and war can be increased simultaneously and sequentially, and "systemically" specifically to those against forced vaccination, which is in fact a bio-weapon to ruin the health of the individual, in either physical or mental capacity, in addition to sexual and race genocide;

2.7 Use of bio-weapons and development of bio-weapons, that may also include and be known as gene editing technology, in the case of the mRNA so called vaccines, which are essential toxic ingredients that exist to be super imposed on healthy people, as a result, the destruction of health, faculties or otherwise or individuals and the race that is super imposed, with forced vaccination or other demonic agendas and actions of genocide maniac, are in fact a real national security threat to the nation and people;

2.8 A national security threat from bio-weapons, is an actual war vector scenario made to weaken the population, control it, destroy it, divide and conquer it or otherwise, render the ability of the use of force and the threat of the use of force, with extreme prejudice against designated targets, which are the victims and potential victims of hate, crime, treason, genocide, war, terrorism, immorality, which represents and is considered as total war and total hate against the designated targets;

nationalists, which is actually extreme hate,

2.15 "anti-anti-vaxxers" and others who collaborate with others or act alone, to make resistance impossible, or to enforce other agendas concerning the super imposed tyranny is total hate, criminal, genocidal and treasonous to the utmost magnitude, and is demonic and a total national security threat.

2.16 Further more, aspects of being an "anti anti-vaxxer" represents total hate and destruction of a conscience, whose thoughts, attitudes, words and actions are in fact that of a sociopath, psychopath and a genocide maniac, a serial killer, who has no remorse or grief for the damage, death, sickness and disease that has, is and will result from the vaccines and related bio weapons of mass destruction;

2.17 those with no conscience are in fact predictable, only the degree, type and magnitude of the hate, crime, treason, genocide and war, in addition to the debt, slavery, super imposed over control, terrorism, and also other "enforcement measures" which are often made possible with arrangements and understanding of "collaborateurs" of others also engaged in hate, crime, treason, genocide and war, in addition to immorality, economic destruction or other extortionary actions making life difficult for the "anti-vaxxer" and designated targets;

"weaponized regulations" attacks, systemic racism, discrimination, sequential and simultaneous discrimination, threats, extortion and threats to "employment" "no job no job" harassment, terrorism,

"weaponized covid testing", with nano-technology, bio-weapons, neuro-toxins, and the corresponding technique of inserting through the nose, typically puncturing the blood brain barrier, causing damage to the brain, and immune system, with a toxic payload genocide weapon, the fraudulent and unreliable PCR testing, PCR testing false positives from excess cycles, utilized to cause hysteria, anxiety, stress, terror, panic attacks, trauma based mind control, to neutralize "anti-vaxxers" "anti-maskers" to make an example against "counterfeit national security threats";

5G Microwave technology is a phased array system invented as war technology to cause sickness, disease, pain and horrible death, it can be targeted with great precision. Also, ordinary cell phone towers and transmitters can be amplified, and already are operating at excessive and dangerous levels, even though microwaves are invisible, the technology is not and is a real weapon system. 5G microwave satellites in space is the weaponization of space which is illegal and unethical and is considered a sociopathic, psychopathic, homicidal, extinction level event that represents all out genocide and war on all life.

The Ministry of Industry, Ministry of Health, CRTC or revised entity and other government departments, Hydro companies and telecommunication companies are all engaged in genocide with the use of microwave technology. To censor all discussion and label everything as conspiracy theory, contrary to facts and evidence, is sociopathic without a conscience and represents a national security threat and act of genocide and war towards all life, who are all considered as incompetent and without required character for any position in government or enterprise whatsoever, and are "enemies foreign and domestic" "enemy combatants" "acts of aggression", "wars of aggression" and "real national security threats".

Also the Ministry of Defence is considered incompetent and deficient in ability to recognize : an invasion, a "real national security threat", "enemies foreign and domestic" , 'enemy combatant", "Acts of Aggression", "Wars of Aggression, Hostile Foreign Military troops in Canada, Weapon systems, weapon systems masquerading as communication systems, the illegal weaponization of space by 5G technology, vaccine and related bio-weapons, including the enforcement of

weaponized testing, vaccine and bio-weapons against Defence Personnel, general and specific genocide and war against Citizens, white people, the founding people of Canada, the pre-existing indigenous people integrated into Canada, including weapons, tactics, psychological operations, sedition, infiltration, subversion, treason, national security threats to the "education system" and genocide and war against National Defence, Defence Industry, Technology, Enterprise and Personnel, and the Defence Mission, including morale of the troops, built in sabotage of Defence technology procurement, remote disabling of foreign supplied technology, trade union national security threats. Ignorance and negligence is no excuse.

"weaponized social justice warriors, engaged in virtue signalling, dividing society, creating racial, class or other tension, hate, cancel culture, censorship, covert and overt agendas, actions or communications, terrorist financing, interference in elections, cruel and unusual treatment, actual physical crime, treason, genocide, war and immorality against "counterfeit national security threats"

"counterfeit and illegal law and regulations" super imposed infiltration and microcoding of law, new law, illegal law, unconstitutional law, law against natural law, law against personal and national self preservation, anti self government, super imposed foreign non national non founding people, non indigenous founding people in government, as contrary to self government, law that includes an illegal transfer of power, such as the 1982 Constitution, the illegal Multiculturalism Act, and corresponding illegal, unethical, anti nation state, anti national and self defence;

"character defamation, libel, psychological operations directed to "counterfeit national security threats" including "military, police, law enforcement, legal and justice, courts, enterprise, private contractors and sub contractors" who live by a higher moral code, and exercise moral courage, professional ethics, and allegiance to their country and legitimate law and true justice, not oppression and tyranny;

"super imposed supranational or otherwise agendas, "collaborateurs" "enemies foreign and domestic" "acts of aggression" "proxy war", "wars of aggression", directed against, or otherwise control or influence to the detriment of citizens, in contempt of constitutional law, the Defence Mission or corresponding relevant mission and purpose, that is anti nationalist, anti national security against:

"military, police, law enforcement, legal and justice, courts, enterprise, private contractors and sub contractors" ; that are tasked with illegal, unethical and unconstitutional acts of aggression against the citizen, or that are "entities weaponized against the citizen" known as "counterfeit national security threats" or are themselves victims of acts of aggression and forced compliance against the citizens, who are "counterfeit national security threats";

Notes to: "military, police, law enforcement, legal and justice, courts, enterprise, private contractors and sub contractors" ; moral courage is essential and an oath to the country not co-operation as a "collaborateur" to "a foreign criminal agency" , "enemies foreign and domestic" "acts of aggression" and other "real national security threats" against "counterfeit national security threats", furthermore

Notes: "counterfeit national security threats" may be considered as "national security assets" "patriots" nationalists" "white nationalists" "the founding people" "indigenous nationals"

"weaponized political parties" "anti nation state", "enemies foreign and domestic" "collaborateurs" engaged in liberalism, globalism, cultural marxism, etc, acts of aggression, traitors, leaders with advisors, agents or council with, "handlers" or otherwise with personnel, including those who are members of or allegiance to "a government masquerading as a religion", a foreign government or agency, or a "radical extremist group", people with fraudulent oaths, oaths and allegiance and

agendas not in the best interest of nation state sovereignty or citizens, or industry, or enterprise, or families, or communities; includes infiltrators, acts of espionage, sabotage, sedition, insurrection, treason and genocide against citizens, fraudulent misrepresentation of character, agenda, mission, political or policy platform, lies, deception, those with allegiance to the socialist international, those engaged in immoral lifestyles and corrupt ethics, individuals, or actions related to selling out the country, allowing the plundering of resources, assets, foreign ownership, control or voting, that may be considered as national security risks, industry security threats, enterprise security threats, national infrastructure threats concerning assets in, transportation, communication, finance, farming, industry, energy and utilities, publications, culture, water, resources, and any and all industry, entities and enterprise and citizens;

**Notes:** Every individual has the right and responsibility, hopefully the response ability and the pro-active initiative and endeavour to know how to identify the enemy, who is often expressing considerable degrees of hate, crime, treason, genocide, war, immorality, debt, slavery and limitation on freedom, sickness, disease and death.

Censorship and various forms of tyranny and oppression, direct, indirect and proxy warfare, including invisible warfare with the weapon system in plain sight, yet often not recognized, certainly hate against those who have the truth or the facts or an alternate point of view, such as an editorial opinion that;

Continue to amplify and corrupt others into the same radical extremist ideology and violence to others, which is evident with the bogus illegal laws, hate speech, censorship, insults of "conspiracy theory" "what are your credentials?".

Even as anti-oxidants are useful against free radicals that damage the health, the un-civilized and demonic haters who are engaged in crimes against humanity with their super imposed liberalism, liberal fascism, globalist communist cultural marxist zero values are free radicals against the citizen.

This is often represented as evil versus good, wise versus unwise, wrong versus right, wickedness versus righteousness, debt and slavery versus prosperity and freedom, sickness, disease and horrible death versus health, vitality and life, technocracy versus independence and autonomy, lies and deception versus truth and honesty, illegal laws, excessive regulations versus natural law and empowerment of citizens. So choose, you do have freedom of choice right? Make it so.

the ghost in the machine. Class action, indictment, lake of fire or total war? Hmmm...
